

FKS

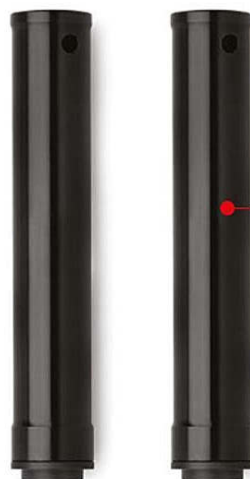

Fork Spring Kit FKS

THE SPRING OPTION

The kit FKS is the first and cheaper step to upgrade the original forks.

Easy to assemble, it consists on a set of springs available in different rates plus a set of spacers in different lengths to match all models.

The kit is supplied with specific fluid.

Spacer made from Alu alloy, available in different lengths for the correct mounting in the various motorcycle models, including the technopolymer bush for the spring

Linear spring in Si-Cr alloy Steel, available in different rates, based on the bike model and rider weight for a personal correct set-up

Il kit FKS è il primo e più economico step per aggiornare le forcelle originali.

Facile da montare, consiste in un set molle disponibili in diverse costanti elastiche e un set di distanziali di diverse lunghezze per adattarsi a tutti i modelli.

Il kit è fornito con fluido specifico.
